Christmas in April*Calvert County, Inc. would like to invite you to take part in our new promotional program for businesses. This program will list company names and logos on the back of over 800 tee shirts that will be worn by our volunteers all over Calvert County on the last Saturday in April 2014. Last year we had more than 800 volunteers working on 38 homes, and they all wore our tee shirts.

This year we will receive applications from over 80 homeowners that are in need of our assistance. These Calvert County residents are in need of wheelchair ramps, railings, decks, roof repairs, storm windows and doors; the replacing and repairing of drywall, floors, hot water heaters and appliances. We invite you to come and visit some of our worksites on April 26 to see firsthand the enormous scope of our projects.

The work of our organization, Christmas in April*Calvert County, Inc. continues to be successful as a direct result of contributions from our Calvert County community. Our contributors include local service organizations, private businesses, civic and religious communities, and hundreds of skilled and unskilled volunteers.

We would like to invite you to be a part of our organization and to have your business name placed on over 800 tee shirts this April. Your tax deductible donation of \$500 or more will allow us to continue our mission and help you by promoting your business throughout Calvert County. Donations can also be made without inclusion on the shirts. 100% of your donation will go towards the materials that are needed to ensure that low-income homeowners, especially the elderly and disabled, and families with children, will be able to live in warmth, safety and independence. They will appreciate your help.

Yes, I would like to have my company name included in this program and have enclosed a check for \$500 or more made out to Christmas In April*Calvert County, Inc. I have also included my company name and logo as it should appear on the tee shirts. Please include a copy of your business name and logo with your donation by March 1, 2016.

No, I'm sorry I won't be able to take part in the program this year, but I have enclosed a contribution made out to Christmas In April* Calvert County.
